

VIDEO ESSAY QUESTIONS

Complete the following and have prepared to copy and paste into the online application

1. Have you attended an Introductory Workshop by Dr. Steve Gutstein? What was the most insightful?

Have you read The RDI® Book? What part of it was most insightful?

2. Do you have a dual role – are you a professional as well as a parent of a child on the Autism Spectrum? If applicable, what is your child's age? If so, have you started an RDI® Program with him/her? Which consultant are you working with and how long have you been working with him/her?
3. Describe your experience(s) working with children with autism. Include the setting, your role, the nature, and age of the children involved and then summarize your feelings about the experience(s).

NOTE: If you do not have experience working with children with autism, answer the following question instead: Describe your experience(s) volunteering with children in general. Include the setting, your role, the nature and age of the children involved and then summarize your feelings about the experience(s).

4. As part of certification, you are required to work with two families who have a child formally diagnosed with an Autism Spectrum Disorder. Without including any identifying information about the families, please explain the family dynamics of both families you are thinking of using for supervision. Please note that while you must stay with the same families throughout supervision, you are not bound to use the specific families you describe here.
